

Salada Green Tea Soda

Add 8 Salada Green Tea bags to 4 cups of boiling water and let stand for 2 to 3 minutes; remove and discard tea bags.

Cover and chill brewed tea.

Before serving, add 3 tablespoons of honey or sugar to chilled tea.

Add 4 cups of assorted fresh fruit, such as nectarine wedges, lime slices, blueberries and/or raspberries to each glass and fill with 1 liter of chilled plain or flavored sparkling water.

Top with 8 to 10 fresh mint sprigs. Makes 8 to 10 servings.
